*** Please note: changes to the Metropolitan & State Championships Age groups:**

12 – 13 year old male and female swimmers can only compete in one Metropolitan Area & SNSW State Age Championships per season

E.g. If a swimmer is 12yrs old and doesn't age up till after the Australian Age Championships (turns 13 after 15 April, 2019) then Swimming NSW recommends that they follow the Junior State Stream (as outlined below).

E.g. If a swimmer ages up and is eligible to compete at the 2019 Australian Age Championships then Swimming NSW recommends that they follow the Australian Age Stream (as outlined below).

Note 1: Once a Swimmer selects either the Australian Age Stream or the Junior State Stream and swims at their first Championship event, they **must stay in that stream for the duration of the season.**

Note 2: Ultimately it is up to the Swimmer, their Coach and their parent/guardian(s) about which stream is best for them.

Note 3: If you compete in the first age group, the Senior State Stream, and then enter the second Junior State Stream, YOUR ENTRIES WILL BE WITHDRAWN AND NO REFUND WILL BE GIVEN. All entrants into the Junior State Stream will be checked. (Even though the Online Entry system will "allow you" to enter both - the rules state that you cannot enter both)
